

Code of Ethics

Global Flooring Alliance

The **Global Flooring Alliance** is a trusted international organisation. This Code of Ethics sets out the core principles by which each member of the **Global Flooring Alliance** must act. Its goal is to achieve and maintain the highest of standards within our trade. Members agree to comply not only with the expressed provision of the Code, but also the spirit and purpose.

Members of the **Global Flooring Alliance** will;

- a) Abide by the laws and regulations in the countries where they do business.
- b) Support initiatives to encourage sound forestry management.
- c) Ensure legality of supplies.
- d) Promote proper recycling and waste management systems.
- e) Support the International Labour Organisation and the convention on fundamental labour rights.
- f) Not discriminate on the basis of gender, sex, race ethnicity, religion, civil status, age or disability.
